★★★★★ Bill Kenwell

My experience with Grab Bars was exceptional. I called prior to the office opening. A half hour later I received a return call, even without leaving my phone number! I was able to place and order ...

★★★★★ Lya

Had the modern grab bars that we liked for mom. She did not want her grab bars to look industrial like a hospital. We both liked the wavy grab bars from the moment we saw them. We put 3 in the showe ...
